- Putting in place a communication plan which established reliable communication links to the polling stations on the one side and to the Election Commission on the other side.
- Web-based dissemination of Elector Turnout details, on the poll day.
- Randomised Distribution of EVMs for transparency.
- Vulnerability mapping to identify areas/polling stations which may be vulnerable so as to take precautionary steps.

**PART - II**  
**NARRATIVE**

## **1. IMPORTANT PREPARATORY ACTIVITIES UNDERTAKEN**

### **A. Electoral (photo) roll preparation, publication and dissemination.**

The U.T. had achieved 100% EPIC coverage and 100% Photo coverage in the Photo Electoral Rolls. The details of electors are shown in Table-3A.

The Electoral Rolls were finally published with first Supplement on 10.01.2009. In view of the General Election to the Lok Sabha, the second supplement was published on 27.04.2009.

### **B. EPIC preparation and distribution.**

The EPICs (Electors Photo Identity Cards) were prepared simultaneously and issued to all the electors whose names were included in the second Supplement.

### **C. Model Code of Conduct (MCC) monitoring & implementation.**

A separate cell monitoring the enforcement of MCC was set up in the Office of the DEOs which received complaints on violation of MCC via a toll free number. The cell was actively supported by a mobile task force (Election Vigilance Squad) provided with mobile phones. This was manned by an Inspector of Police, Deputy Tahsildar and supporting staff. The squad will be on rounds and the information received in the Cell (Control Room) is immediately passed on via mobile phone to the mobile squad so that they can rush to the spot immediately. The squad is also equipped with a video camera to capture critical events, if any. Wide publicity was given and the setting of EVS proved to be deterrent and no serious cases of MCC violation were noticed.

## **2. CONDUCT OF ELECTIONS**

### **A. Security arrangements**

Two companies of Central Para-Military Force (CPMF) were allotted to this U.T. for the conduct of elections. They were distributed in the four regions of Puducherry, Karaikal, Mahe and Yanam.

### **B. Selection & training of Poll personnel**

Poll personnel were selected from the database of employees. After first level randomization, they were grouped ARO-wise as grouping them by Assembly Segment wise would not have made much sense in view of small size of Assembly Segments.

After second level randomization, the poll personnel were allotted to Assembly Segments and Polling Stations. Totally 856 Presiding Officers and 2568 Polling Officers were deployed.

This election also saw the deployment of 68 micro-observers in sensitive polling stations. 96 Sector Officers were deployed.

### **C. EPIC & alternative documents**

The following alternative documents were prescribed by the Election Commission of India:

1. Passports
2. Driving Licences
3. Income Tax Identity (PAN) Card
4. Service Identity Cards issued by its employees by State/Central Govt., Public Sector Undertakings, Local Bodies or Public limited companies with photographs
5. Passbooks issued by Public Sector Banks / Post Office and Kisan Passbooks with photographs.
6. Property Documents such as Pattas, Registered Deeds, etc. with photographs.
7. SC/ST/OBC Certificates issued by competent authority with photograph.

8. Pension Documents such as ex-servicemen's Pension Book / Pension Payment Order, ex-servicemen's widow/dependent Certificates, Old Age Pension Order, Widow Pension Order with photograph.
9. Freedom Fighter Identity Card with photograph.
10. Arms Licenses.
11. Certificate of Physical Handicap with photograph issued by the competent authority.
12. Job Cards issued under NREGA with photograph.
13. Health Insurance Scheme Smart Cards with photograph.

In Puducherry, 100% of the electors used EPIC as identification document during the Poll.

#### E. Postal ballot – printing & dispatch & facilitation

The total number of Service Electors in the UT as on the last date of making nominations was 412. Postal Ballot Papers were printed and dispatched immediately soon after finalisation of contesting candidates. Since the UT has only one Parliamentary Constituency, it was decided to issue Election Duty Certificates (EDCs) in stead of postal ballot papers to all the officials on poll duty. A nodal officer was designated to oversee the dispatch receipt and counting of postal ballot papers.

## F. Material dispatch & storage arrangements

The materials required for the poll and counting were procured centrally by the Elections Department and after segregation, they were dispatched first to the outlying regions of Karaikal, Mahe and Yanam. In respect of Puducherry region, the materials were bundled for polling stations and handed over to the Assistant Returning Officers, two days before the poll.
